CORE COMPETENCIES

528 Professional Services, LLC (WOSB) is a non-manufacturing procurement and supply firm specializing in sourcing, supplying, and distributing compliant components, materials, and equipment in support of mission-critical federal, defense, and industrial requirements. The company sources products exclusively through original equipment manufacturers (OEMs) and authorized distributors to ensure compliance with FAR and DFARS requirements. 528 Professional Services manages end-to-end supplier coordination and logistics to deliver reliable solutions tailored to the needs of government agencies.

Core Capabilities:

Procurement & Supply Chain Solutions

- Procurement and distribution of electronic, electrical, industrial, and mission-critical components and equipment
- Sourcing of connectors, wiring, hardware, IT equipment, and replacement parts
- Supplier vetting and OEM / authorized distributor coordination
- Order fulfillment, logistics management, and delivery support

Technical & Operational Support

- RFQ/RFP development and response support, quality assurance documentation
- Compliance with FAR, DFARS, Buy American Act (BAA), and TAA requirements

NAICS:

423690 Other Electronic Parts and Equipment Merchant Wholesalers

423610 Electrical Apparatus and Equipment, Wiring Supplies, and Related Equipment Merchant Wholesalers

423840 Industrial Supplies Merchant Wholesalers

423830 Industrial Machinery and Equipment Merchant Wholesalers

What sets 528 apart from the competition?

- WOSB Certified: Responsive, dependable, and compliant small business partner
- Non-manufacturer Expertise: Specialized in procurement, sourcing, and compliance —not fabrication
- Trusted Supply Chain: Products sourced through qualified OEMs and authorized distributors
- Reliability and Integrity: On-time delivery, documentation accuracy, and contract compliance
- End-to-End Solutions: Simplifying procurement so you can focus on your goals

*Reliable procurement. Skilled people.
Ready to deliver.*
